The Clubs International ticket committee advises that applications will be considered from all members, however priority will be given to the following applicants;

- Members
- Facilities development investors
- 400 club or Lotto members
- Workers in the club
- Sponsors

This year the committee also draws your attention to the following ticket applications will not be considered unless the following criteria have been met;

- All applications must be in writing using the form: International Ticket Order Form 2022/23 (Six Nations). (**awaiting confirmation of details**)
- Please include payment (cheque or cash) for each game -that is a separate cheque for each game.
- Having applied for tickets, your payment will be processed unless you give at least two weeks notice that you wish to cancel your order to the address on the bottom of the form.

The committee also advises that tickets are issued individually to members who apply for them. The individual to whom the ticket is issued should sit in the allocated seat. If for some reason you are not going to use the ticket yourself then you should advise a member of the ticket committee and return the ticket in advance of the game. Any deviation from this will only be allowed with the express permission of the ticket committee.

The members of the committee will do their utmost to ensure that the international tickets get to those of our members who are the most deserving of them. They will be distributed in a fair and equitable manner after much consideration of all of the correctly completed applications.

For more information on tickets and pricing please see the IRFU website . The selection of tickets that the Club will be able to offer will be limited. Accordingly the full range of tickets as priced on the IRFU website will not be available for purchase from Sligo RFC.
